

## **GREEN RIVER SHELL MIDDENS ARCHEOLOGICAL DISTRICT**

**Address Restricted, Logansport vicinity (Butler, Henderson, McLean, Muhlenberg, ☐ and Ohio Counties)**

Archeological investigations over the past 70 years at these shell middens, encompassed within a large, noncontiguous area extending through five counties, have contributed to the understanding of the Late Archaic Period (4000–1000 B.C.) in the eastern United States.
